

KERALIT®
DERMACURE OINTMENT

For the care and regeneration of dry and sensitive skin

KERALIT® Dermacure Ointment

Contains high-quality conditioning ingredients that soothe the skin, promote regeneration and restore suppleness and elasticity.

KERALIT® Dermacure prevents irritation and lesions on sensitive and dry skin.

Application: Clean the area of skin to be treated before each use.

Apply **KERALIT® Dermacure** sparingly to the affected areas of skin once a day and gently massage in. **KERALIT® Dermacure** is suitable for the prevention and treatment of cracked heels and eczema. It ideally complements **KERALIT® Keralysin Ointment**, a high-quality skin care ointment for the gentle removal of scabs.

Keep the container tightly closed after use. Store in a cool place. Protect from sunlight.

WARNING

Toxic to aquatic life with long lasting effects. Collect spillage.
