

EN:

KERALIT® Dermacure

For care and regeneration of brittle and sensitive skin

Instructions:

*Clean skin area before each use. **Apply DERMACURE** daily 1–2 times sparingly by gently massaging into damaged skin areas. **DERMACURE** also helps to prevent cracked heel in wet weather.*

DERMACURE contains high-quality hypericum oil, dexpanthenol and zinc oxide (according to the DAB/German Pharmacopeia). These soothe, promote regeneration, and keep the skin supple and elastic. **DERMACURE** prevents irritations and lesions in sensitive and brittle skin.

FN-ADMR: 2 days

Keep container tightly closed after using. Keep in a cool, dark place.

Use by: see bottom

130 ml
