

**EN:**

## **KERALIT® Schimmelschwarz**

**Shampoo for horses, dogs and other animals with light-coloured coats. Contains no chlorine or bleach**

**Gently cleans coat, tail, and mane**

Ideal for grey, piebald, and palomino horses. Removes discolourations and cleans coat. **KERALIT Schimmelschwarz** is based on a mild baby shampoo from the human cosmetic industry and is ideal for use on animal skin. It has a high content of activated charcoal that immediately binds to dissolved dirt and washes it out. The active charcoal's extremely high surface activity ensures mild deep cleaning without irritating chlorine compounds. **KERALIT Schimmelschwarz** is ideal for use on sensitive animal skin, including with dogs.

Charcoal has long been used as a tool for washing grey horses as well as for cleaning human hair and teeth.

**KERALIT Schimmelschwarz contains no chlorine, silicone, bleach, lighteners or fragrances.**

***Application:***

*Rinse coat with clean water, then apply shampoo and lather/massage thoroughly. Rinse thoroughly with clean water. For best results use warm water.*
